Metropolitan di Rak Ceramics è una collezione dalle **forme rigorose e versatili**, disegnata per le case dei nostri giorni.

**Perfettamente carenata ed installabile anche filo muro**, Metropolitan grazie alle **dimensioni contenute** (solo 52,5cm di lunghezza), si adatta alle sale bagno di qualsiasi dimensione. Il **sedile in termoidurente perfettamente coprente** completa armoniosamente il vaso fino a formarne un corpo unico. Per un maggior confort è **disponibile anche il sedile rallentato**.

*Metropolitan by Rak Ceramics is a collection with rigorous and versatile shapes designed for today's homes.*

***Perfectly carinated and installable also at wall level**, thanks to its **contained dimensions***

*(only 52.5 cm in length) Metropolitan is suitable for bathrooms of all sizes.*

*The **perfectly adhering heat cured seat** is the harmonious completion*

*of the toilet forming a single body. The **soft close toilet seat** is available upon request for further comfort.*

## PULIZIA, IGIENE E QUALITÀ CERTIFICATA *CLEAN, HYGIENIC AND CERTIFIED QUALITY*

*Green economy.*

Un'espressione oggi di gran moda che abbina il concetto di sviluppo economico a quello di sostenibilità ambientale.

**Rak Ceramics, certificata ISO 14001 e ISO 9001:2008**, garantisce il suo impegno nel minimizzare l'impatto ambientale dei processi produttivi senza rinunciare al massimo standard qualitativo dei suoi prodotti. I vasi Metropolitan, frutto di questa politica ambientale, dimostrano il **basso impatto ambientale con il loro funzionamento a 3/6 litri**, senza per questo rinunciare a pulizia e igiene.

*Green economy.*

*An expression that today is widely used that combines the concept of economic development with environmental sustainability.*

**Rak Ceramics, ISO 14001 and ISO 9001:2008 certification**, guarantees its commitment to minimising environmental impact of production processes without giving up on the maximum quality standards of its products. Metropolitan toilets, the fruit of this environmental policy, show their **low environmental impact with its 3/6 litre flush**, without forgetting cleanliness and hygiene.

## METROPOLITAN SOSPESA *METROPOLITAN WALL HUNG*

Essenziale e di forte impatto visivo, **Metropolitan** è disponibile anche nella versione sospesa con lavabi da appoggio su mobile o fissati a muro con semicolonna. In coordinato con i sanitari è disponibile anche la vasca ad incasso in metacrilato a spessore rinforzata con fibra di vetro. I vasi Metropolitan sono realizzati con brida chiusa per assicurare la massima pulizia nel tempo con ogni flusso d'acqua.

*Essential and of strong visual impact, Metropolitan is also available in the closed couple suspended version with countertop washbasins for vanity or built in to the wall with semi-columnn.  
Available also is the matching built in methacrylate bathtub with reinforced fibreglass thickness.  
Metropolitan toilets are made with a closed rim to guarantee maximum hygiene through time with each flush.*

# PURO BIANCO

## PURE WHITE

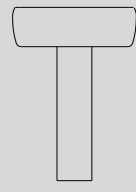

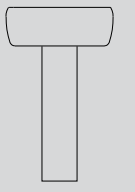

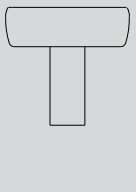

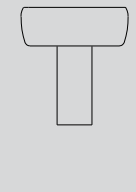

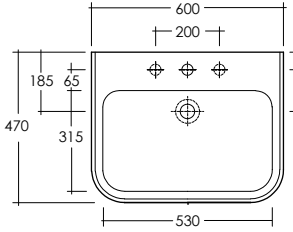

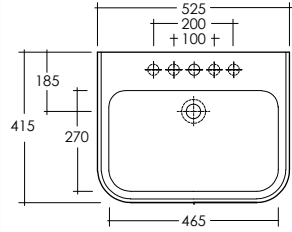

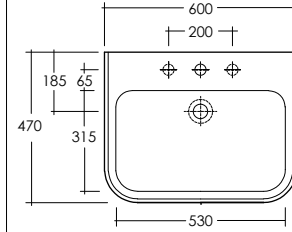

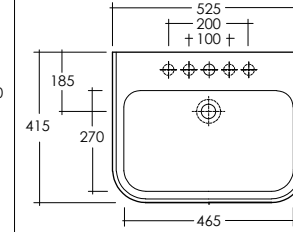

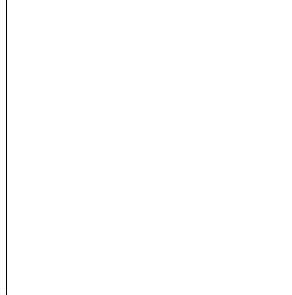

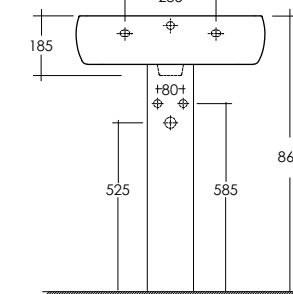

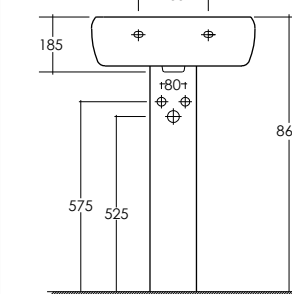

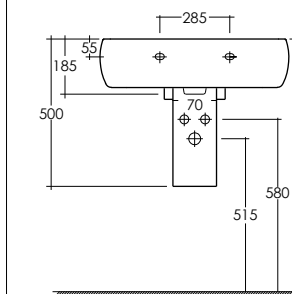

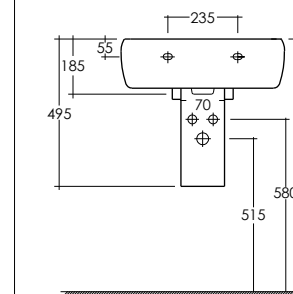

La solidità dei materiali prende vita nelle forme armoniose e ne esalta appieno la brillantezza. Un progetto nato e dedicato a valorizzare il colore bianco dei sanitari che risultano puri, cristallini e incontaminati come neve delle Alpi

*The solidity of the materials comes to life in harmonious shapes, fully highlighting its brilliance. A project created and dedicated to enhancing the white colour of sanitaryware making it purer, more crystalline and uncontaminated, like the snow on the Alps.*

L'Azienda - *The Company*

Veduta aerea dell'azienda a Ras Al Khaimah (U.A.E.) - Aerial view of the Company at Ras Al Khaimah (U.A.E.)

R.A.K. CERAMICS è una delle principali multinazionali nel settore ceramico al mondo. L'obiettivo dei fondatori, sostenuto da grande determinazione, era quello di creare una grande società produttrice di piastrelle in ceramica e sanitari in grado di soddisfare gli standard internazionali di qualità e bellezza. La produzione, avviata nel 1991, negli ultimi 10 anni ha fatto passi da gigante, permettendo a R.A.K. CERAMICS di diventare un'organizzazione preminente a livello mondiale e una delle principali società produttrici di ceramica del mondo, il tutto nel giro di soli 16 anni. RAK Ceramics ha ottenuto le certificazioni ISO 9001 : 2008 e ISO 14001 : 2004.

Gli stabilimenti della società a Ras Al Khaimah producono GIORNALMENTE circa 227.000 metri quadrati di piastrelle ed oltre 8500 articoli sanitari. Considerando anche gli stabilimenti oltreoceano in molti altri paesi stranieri, la produzione globale GIORNALIERA raggiunge i 360.000 metri quadrati e oltre 12.000 articoli sanitari. Attualmente la società esporta in più di 150 paesi nei 5 continenti, a testimonianza della sua ottima reputazione nel settore dell'industria ceramica.

La "mission statement" di RAK Ceramics è la seguente: l'eccellenza è il modo di essere di RAK Ceramics, non conosce limiti e non è uno standard immobile. Al contrario, l'eccellenza è uno stato in continua evoluzione e in continuo cambiamento. Essa ci stimola a raggiungere standard di prestazioni sempre più impegnativi.

R.A.K. Ceramics, azienda industriale leader a livello globale, si adopera per ottenere:

- "L'eccellenza per mezzo di prodotti e servizi di alta qualità in modo da assicurare il migliore rapporto qualità-prezzo."
- "L'eccellenza nell'utilizzo della migliore tecnologia per creare i prodotti e i design più innovativi."
- "L'eccellenza nel proprio ruolo e responsabilità, stimolando in ogni dipendente le abilità, la volontà e la passione di essere i primi, facendo riferimento ai più elevati livelli di performance e creando così "il futuro oggi".

R.A.K. CERAMICS is now one of the top ceramic multinationals of the world. The vision of the founders backed by solid perseverance was to set up a successful ceramic tile and sanitaryware manufacturing Company that would meet world standards for quality and beauty. What first started production in 1991 has over the past decade progressed with giant strides to be a world class organisation, and amongst the top ceramic manufacturing organisations in the world all achieved within a short span of 16 years. RAK Ceramics is an ISO 9001 : 2000 certified organization.

The Ras Al Khaimah plants of the Company alone currently produce around 225,000 sq.mt. of tiles PER DAY and over 8500 pieces of sanitaryware PER DAY. Considering the Company's overseas plants in several other countries, the global production of tiles has now reached over 325,000 sq.mt. PER DAY. Presently, the Company exports to more than 135 countries across 5 continents, which is a testimony to its excellent reputation in the ceramic industry.

RAK Ceramics' mission statement is - "Excellence" is a Way of Life at RAK Ceramics, it knows no boundaries nor is it a fixed standard. It is a "state" that is continuously changing and evolving. It pushes us to reach even more challenging Standards of Performance .

As a Global Leader in the Industry, R.A.K. Ceramics' stands committed in all its endeavors for:

- "Excellence through Hi-Quality Products and Services so as to provide The Best Value for Money."
- "Excellence" in the use of the Best Technology to create the most innovative products and designs.
- "Excellence" in role and responsibility, by creating in every employee the skills and the will, & the "Passion to Excel" by benchmarking to still higher levels of Performance and creating "The Future Today".
